

FINDING INFO ABOUT YOUR GREYHOUND

THERE ARE THREE GOOD WEB SITES ON THE INTERNET WHERE YOU MAY FIND YOUR GREY'S ANCESTRY, SIBLINGS, AND SOME OF THEIR RACING HISTORY. IF THE TRACK OR TRAINER DOES NOT SUBMIT RACE RESULTS, THERE WILL BE NOTHING AVAILABLE. THE WEB SITES ARE POSTED SO YOU CAN FIND THEM QUICKLY AND EASILY. I SUGGEST YOU LIST THEM AMONG YOUR FAVOURITES FOR CONVENIENCE.

- 1. GREYHOUND DATA BASE:** Here you can find your Greyhound's ancestry, siblings, and possibly some racing history. You may post a picture of your dog, your name and info if you wish. When you enter the site, enter your dog's race name in the white box, and click "search".

- 2. ROSNET RACING INFO:** This site provides much the same info as the previous site, but it is not as complete in that all the tracks do not belong to its network. To enter this site you must register. Just click on "Sign Up" and follow the steps. It's simple and free with lots of interesting information. Enjoy.

- 3. GOOGLE SEARCH ENGINE:** This site only lists races and your dog will be listed if it placed 1, 2, or 3 in a race. When you enter your dog's race name, be sure to leave a space after the "-". Only races posted by the track are shown.

FIND YOUR GREYHOUND'S LITTERMATES

These two sites may enable you to find where some of your hound's littermates have gone. You can also enter your dog's information.
